

Clovis Youth Soccer Association Refund Policy Clovis, New Mexico

CYSA understands that circumstances may arise, and, under certain conditions, a registration fee refund (of **only** CYSA's registration fee – does not include NMYSA's membership fee or any other fees/tax collected) may be considered, subject to approval by the CYSA Board of Directors. Refunds will be processed only in the following situations for the current season:

Refund Request Before CYSA Practice Start Date:

Refund requests must be submitted before the scheduled start date of CYSA practices.

League Default by CYSA:

Refunds will be issued in cases of league default, where CYSA cancels or terminates a season entirely.

Special Circumstances:

Refunds may be considered for special circumstances brought to the attention of and approved by the CYSA Board of Directors.

It's important to note that CYSA rates are charged per complete CYSA year, encompassing both fall and spring seasons. For instance:

Fall Season Registration:

When registering for the fall season, CYSA will waive fees for the spring season. This allows players to participate in both fall and spring seasons for the cost of one.

Spring Season Registration:

Registrants for the spring season pay for the spring season only (excluding city and state fees).
